Spring — a time for endings, new beginnings

Fall — a time for new friendships, old acquaintances

RELATING

School is not only a place to learn facts from books, but also a place to learn relating from other people. Classes help prepare you for the future and friends help to prepare you for life.

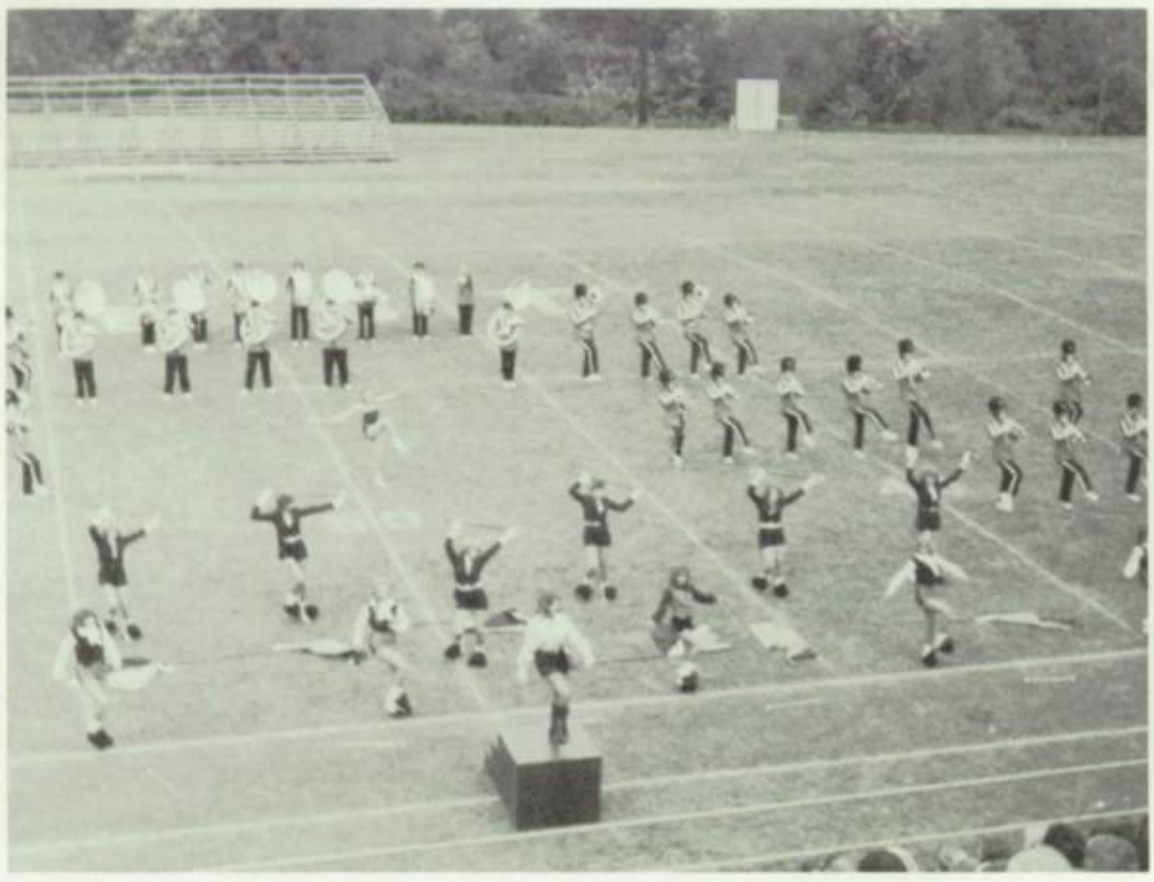
After high school, you may never see your old buddies again, but you will always keep the memories of how they helped you grow and how many good times you had in high school.

Relating ... the Webster's Dictionary says it means "connect." At school you connect to your classes, your activities and your friends. In order to make this connection a success, you must work to the limits of your abilities. If everyone would work together, this connection could be an experience to remember.

Nobody's perfect, but friends can relate!

RELATE

Come on ..... Relate! Celebrate
Celebrate ..... your life — Relate,
don't hate!
It's your fate . . . . . .
Come on ..... relate!
It's not too late ..... relate!
Celebrate!
Set the date ..... relate!
He's knocking at the gate .....
don't lock it! RELATE!



BATTLE OF THE BANDS! Relating through competition.

Relating makes the class!

As we go through our lives, we meet many different kinds of people: some we don't like, yet others make deep impressions upon our lives. There are the people that become important to us and start that of an enduring relationship.

As we grow older, we begin to accept and appreciate the meaning of love and true friendship. We look for stronger bonds to keep our relationships together. These are the bonds that shape our life now and in the future.

MISS
RIVER DAYS

TAMMY BOOK

"WEST" HAS THE WINNING LADY

I hope my voice doesn't squeak!

Smile, Tammy, Smile!

Tammy Book of Portsmouth West was crowned Miss River Days of 1980-81. Dazzling us with her style and poise, she touched everyone in the audience.

While participating in the float competition in the annual River Days parade on Saturday, Tammy also competed in swimsuit, evening gown and interview competition. Every west-sider cheered her on till the end, lending her their confidence throughout the pageant. We are very proud of Tammy, she is representing West very well.

If pictures could only speak, these could tell the story of a girl who captured everyone's eye and walked away with the title. THANK YOU TAMMY, YOU DID A GREAT JOB!

SLAVE DAY

Raggedy Ann, Ziggy, Miss Piggy, Tom and Jerry, and Mother Goose were just a few of the strange creatures that invaded the halls on Slave Day. With Senior band members as their masters, the new band members performed all kinds of crazy stunts. Slave day is the day that Senior band members look forward to all summer, but Freshman members dread!

The Pep Band showing their school spirit.

In all that I've done and all that I've learned, I've searched for a "Me" for others to see. Upon looking up after three years gone by, I found another page of my life had turned.

The simple happenings of today will be great memories tomorrow, and the fact that we can't do it again might bring a bit of sorrow.

Yet the simple fact that we've lived life once, will let us think it a success and the years to come will prove to us this year has been better than all the rest.

Better get to class!

"God Bless America"

In June 1980, the Select Chorus gathered at South Portsmouth, Kentucky to begin their trip to New York. They checked in the Hotel Carter and got ready for dinner. After dinner they went to the Empire State Building, then they took a little tour of New York.

The following day was very exciting. They took the grand tour of New York City. They went through Chinatown, Harlem, and the Rockefeller Plaza. After the tour they sang at the Hilton Hotel.

On Thursday they toured the United Nations Buildings, the Statue of Liberty, and other buildings and areas. That night they saw the broadway play ANNIE. Afterwards they ate at New York's most famous restaurant, Mamma Leone's.

On Friday they started home, having a layover in Washington, D.C. They toured the White House, Arlington Memorial, Kennedy Center, The Capitol, The Smithsonian Institution, and The Washington Art Museum. They sang at the President's Park, which is across from the White House.

Leaving Washington, they returned to South Portsmouth after a very interesting vacation.

The West Flag Corps was small this year, but they did their best to enhance the band shows and parades. They began practice early in the summer by going to camp at Otterbein College in Westerville, Ohio. There they worked long, hot hours to learn their new stunts and routines.

They put in an appearance at the county fair, under the guidance of captain, Tammy Hamilton. Later that year co-captain Teresa Pollard assumed her duties as captain.

The flags performed at all football and basketball games as well as the Jaycee Christmas Parade and all other parades.

YEARBOOK AND NEWSPAPER STAFF

The Yearbook and Newspaper Staff had a lot going on this year. In addition to putting out the "Westside Story" and the "Senatorian", they sold candy bars, had a Christmas Bazaar and operated the concession stand at all of the home basketball games.

This was the first year for Mrs. Day to be the advisor and she did a super fantastic job.

The responsibilities and sacrifices are many. The only reward for the yearbook staff is to see the Senatorian bringing pleasure to the West High students.

LIBRARY

Nowadays, a library isn't only a place to get books. There are many new and exciting things going on in our library! Video-tapes, audio-visual equipment, laminating and lettering machines, are just a few of the examples of the media influence in libraries today. The whole concept of a library has changed, from a room full of books, to an exciting, new media and print experience.

Part of a student librarian's job is learning how to operate these machines to the full advantage of our school. You never know what you will be doing during your library period, and that is part of the attraction of the job. It's a very interesting and informative time of your day.

For Reading Week, the librarians put on the play, "The Great Quillow." They performed for the kids at Friendship and Jenkins Elementary Schools. Congratulations on doing your part for reading week.

QUIZ BOWL

This was the first year for West's Quiz Bowl team to participate in county-wide competition. Under the supervision of Coach Beckett, they played eleven (11) county schools. The team had an undefeated season, and were named Scioto County Champs. The captain was Richard Anderson and with the help of Steve Jenkins and the other team members, they had a very successful season. Congratulations!

THE CLUMSY CUSTARD HORROW SHOW

The tale of the two kingdoms, Zeb Proper and Zeb Improper is told by Arnie Boheme as it was told to him by the strange creature — Worfle. This is how it goes: Princess Prince was destined to marry by her 18th birthday, but she was not in love. Before she had a chance to marry, she was kidnapped by the evil Dacron. Her only hope of rescue was Swashbuck. After braving the dangers of the Clumsy Custard, the Turkey Spider Dungeon, and the Boo-Hiss Auditorium the heroes saved the Princess and overthrew Dacron.

There was great rejoicing in the Land of Zeb Proper. The reunion was even happier when Head was reunited with her body and was discovered to be the King's old girlfriend. The King and Wanda and the Princess and Swashbuck were married and they lived happily in the "Mystical, Magical Land of Zob."

HEAVENS TO BETSY!

One sunny afternoon in the 1880's, Captain Darby and the crew of the Northbrae set sail for the island of Holikau. The townspeople of Boston came to say "Goodbye" to Captain Darby, Mrs. Darby, Mr. Garrison, Charlie Nobel, Bilge Waters, and the three passengers Kate Nolan, Betsy Moreland, and Agatha. But the sunshine soon turned to rain and a storm appeared on the horizon. The ship was lost with a fever raging aboard. Mrs. Darby and half the crew were ill, and Captain Darby couldn't see any stars to steer by. Things seemed hopeless until they found the native girl Jambalaya floating on a raft. Mr. Garrison figured out the way to Holikau based on what Jambalaya told him and Jambalaya had medicines that she used to cure the fever.

While all of this was going on, Betsy and Mr. Garrison fell in love, but they knew nothing could come of it because Betsy was going to the Island to marry the missionary, Jeremiah Pitts.

When the Northbrae reached Holikau, Jeremiah Pitts, mistaking Kate for Betsy, fell in love with Kate at first sight. Everything seemed hopeless, but again Jambalaya came to the rescue. Jambalaya told Rev. Pitts that Mr. Garrison and Betsy were in love, then she asked him to marry Kate. Everything worked out fine and everyone — oops!! We forgot about Agatha! Agatha went back home to her mother and father because she was afraid of the natives of Holikau. Everyone lived happily ever after.

The West Yearbook Staff and students of West High School would like to extend their sincere thanks and appreciation to the businesses, industries, and friends who helped them financially by placing advertisements in the 1981 Senatorian.

Without the aid and support of the patrons of the school, the program of athletics, clubs, and learning could not be accomplished so successfully. By all working together, the community truly exhibits the Senatorian spirit.

Again, thank you for your support.

The Union Mills community, shown here as it appeared about 1898, was located at the present intersection of Ohio Routes 73-104 and 239 in West Portsmouth, Ohio.

The square front store in the background has been the Kitchens by Throckmorton showroom since 1965, and was probably originally built in 1831. The store, and Ohio and Erie Canal lock 55 located across the street from the store, are the only visible remains of the once bustling canal town. The Union mill and a distillery were other active businesses there in the 1800's.

What is Pam Murphy thinking?

SENIOR WHO'S WHO

The Senior Who's Who is used to honor seniors who possess some, but not necessarily all, of the following qualities: Academics, Athletics, Music, Art, Citizenship, Leadership, Sound Character, and Sense of Responsibility.

Every year the Senatorian staff asks each member of the faculty to select seniors whose qualities during their four years in high school have made them outstanding candidates for this honor.

Congratulations! You deserve it!

Jane and Skip sure are having a good time.

What a feast!

C'mon let's dance!

Smile girls.

You tell 'em Scott!

SCHOLARSHIP TEAMS — 1981

A scholarship team — students bound together by the common desire to study and learn about the subject in which they will be tested. These students work together or individually with the assistance of a teacher or privately. They know that memorizing a few facts for the final test is not enough to make them score well; rather, they must actually learn and apply their knowledge before they will benefit from it — on the test or in life.

A successful scholarship student must possess certain traits — ability, determination, diligence, a competitive spirit, and many other such characteristics. Portsmouth West's scholarship teams consisted of such students.
